

ZÜRI WALK & TALK

Sustainability Decoded Series
by The Fabric of Clouds Community &
Fructify Network

Autumn is Harvest season, and we are ready to pick the fruits of collaboration!
The Fabric of Clouds Community and Fructify Network are joining forces to
create a New Series of Zürich walk & talk events dedicated to Sustainability.

WELCOME TO SUSTAINABILITY DECODED!

We map Zurich city on foot and meet those in the sustainability area to share stories of founders, sustainability experts, community builders, movers, & shakers.

"A Journey of a thousand miles begins with a single step."

Join us to make the first steps together into creating a LIVE Map of Sustainability in Zurich!

WHY SHOULD YOU PARTICIPATE

- Discover and co-create with us the sustainability Map of Zürich, learn about start-ups, businesses, organizations, projects. Most of all, you know about people that have stories to tell and knowledge to share
- Learn about challenges and opportunities in applying sustainability in business, both from an entrepreneurial and career perspective
- Networking while walking => flexible networking model that enables you to network with more people
- Become part of a growing community of sustainability enthusiasts, creative independents, experts and career-changers, learn & have fun while discovering the beautiful city of Zurich
